PROFILE INFO

I am Sami Ullah, a Computer Science student with expertise in Front-End Development. I have strong skills in creating responsive and user-friendly web interfaces using modern web technologies. I am passionate about learning new technologies and building innovative digital solutions.

EXPERIENCE

FRONT-END DEVELOPMENT PRACTICE Jan 2025

Developed responsive and user-friendly web interfaces using modern front-end technologies. Improved website design and usability by applying clean UI principles and responsive layouts.

ACADEMIC WEB DEVELOPMENT PROJECTS July 2025

Designed and implemented front-end interfaces for university projects. Focused on creating interactive and visually appealing web pages.

WE SOLVED INTERNSHIP August 2025-present

Gained practical experience in front-end development and website design. Collaborated with developers to build and improve web applications.

ACHIVEMENT

Built responsive and user friendly web pages using modern technologies.

Completed several academic projects related to software development.
